Vehicles must display a valid Sac State parking permit while parked in a campus parking area. California laws and Sac State parking regulations are enforced 24 hours a day, 365 days per year. With a Sac State OneCard, parking permits may be purchased at the Student Financial Services Center in Lassen Hall and the UTAPS office.

Daily parking permits may be purchased from any daily permit machine (indicated by **S**). Parking lot signs designate which permits are valid in each parking lot section, unless otherwise indicated at specific spaces. Daily parking permits are valid in student lots.

For additional parking information, call University Transportation and Parking Services (UTAPS) at 278-7275 (278-PARK), come to the office in Folsom Hall, or visit our web site at www.csus.edu/utaps.

See reverse side of map for building locations.
